

Ebonie has been attending Buddies Children's Centre, Monk Bretton for the past 18 months. She is 3 years old. When she was six months old she was diagnosed with a brain tumour which has left her visually impaired.

Unfortunately current treatments in Britain have been unsuccessful, and the only available option now for Ebonie is to receive specialist treatment in America.

Obviously times are hard for us all in this current economical climate, but Ebonie's family have been struggling a lot more to live a normal life due to regular visits to Sheffield Children's Hospital.

We are appealing to the local community to rally around and offer their support through donations and sponsorship in order to assist Ebonie and her family to go to America to receive life saving treatment.

Donations for raffle items or money would be much appreciated. We are also holding a sponsored Zumba event at Buddies Children's Centre in the very near future and sponsorship would be very welcome.

We have a lot of money to raise for Ebonie and her family, in such a short time and hope you will help us achieve this by donating or raising funds.

Anyone wishing to donate should contact:

Buddies Children's Centre,
c/o Burton Road Primary School, Burton Road, Barnsley, S71 2AA.
